

Packing List for RYLA Attendees.

Students will receive their **RYLA T-Shirts** and will wear them during the day each day (for photos and their names are on the shirts)

HOWEVER: Due to heat/humidity - **shirt changes are needed.**

Shorts

Sneakers/tennis shoes

Pajamas and socks -

We are hoping for some beach time/marine study - so bring your **swim suit** and anything you'd want for a couple hours at the beach

During the day - - shorts, TShirts, comfortable shoes of choice

Evening - you may want to change for dinner and evening activities (or not)

But no need to dress up

HOWEVER - on the last morning, parents and Rotarians will join us for the final Awards presentation. Students might want to switch it up a bit... so bring something a bit nicer.

You are moving into a completely empty dorm-room....

Bring anything you'd want to have for 3 nights and 4 days.

Bed linens and Towels, and a Pillow. (some people just bring a sleeping bag)

Shampoo, Soap and Toilet Paper.

A hair dryer.

Bug spray. (we will do things outside in evenings - mosquitos can be brutal).

Spending money - not really needed but there are vending machines (drinks and snacks), and a couple of spots across the street for ice cream so maybe up to \$25
- in \$1 bills are best for the vending machines
